

### PARKWAY WELCOMES ARTHUR GHERE AS OUR MUSIC DIRECTOR

We are pleased to announce that Arthur Ghere has joined the staff of Parkway as the new Music Director. In this newly created position, he will be directing the adult choir and expanding the music program to include the children and youth of Parkway. We hope that you and your family will find a place in the music program to contribute your talents.

Some of you, as choir members, have worked directly with Arthur in his role as organist for the past two years. Some of you, as parents, may have heard your children singing the songs that they learned from Arthur during Vacation Bible School. And, some of you, like me, have had the pleasure of seeing Arthur as a positive Christian role model for the youth of Parkway. He has volunteered his time with numerous youth group activities, helped to coordinate joint functions between Parkway and Chinese Presbyterian Church, and last summer, accompanied the youth to Montreat, North Carolina for a summer conference.

But, here are a few things that you may not know about Arthur. He is 26 years old and originally from Thibodaux, Louisiana. He graduated from New Orleans Baptist Theological Seminary in December 2009 with a Master's degree in Divinity and Christian Education. He is currently pursuing a Master's degree in Music, specifically Church Music. He is a member of the Board of Directors of the American Guild of Organists.

We wish Arthur the very best in his new position. Please take a moment to introduce yourself and welcome him to our church family!

Music Task Force of the Teaching Ministry, Diane Sehrt
